LETTER OF PROMOTION

Dear Rishita Mehta,

Congratulations on stepping into the role of Lead of Social Media Team ! Your dedication, creativity, and consistent contributions have not only impressed the team but also inspired everyone around you. We are excited to see you take on this new responsibility.

You've shown time and again that you have the drive to guide, motivate, and bring out the best in your teammates. Your ideas, energy, and positive attitude have been invaluable in shaping the projects you've been part of. Now, as Lead, you have the opportunity to take the team to the next level - helping everyone grow, explore new ideas, and achieve goals together.

Being a Lead is about more than planning and managing - it's about mentoring, listening, and creating an environment where every member feels encouraged to contribute. We are confident that with your vision, enthusiasm, and supportive approach, the Social Media Team will reach new heights and create work that stands out.

We're really looking forward to seeing the innovative ideas and achievements you'll bring to your team. Congratulations again - we're thrilled to have you leading this journey!
